The section head is Raeanne Van Raamsdonk (raeannalissa@gmail.com).

The Section Head should be contacted for details of requirements for classes in this Section.

Highlights Concert: May 6th, 2024

When planning the choreography and music, please consider the general nature of the Festival audience. The adjudicator will be instructed to consider the audience when recommending Highlights Concert performances.

Please ensure all music is edited (erased or masked) for inappropriate language.

PLEASE NOTE:

- At all levels a minimum of 4 dancers is required.
- All performances should take no more than 4 minutes, except Creative and Modern, where up to 7 minutes may be taken.
- Participants must be fully registered students at the school under whose name they perform. A certified teacher or equivalent must be present and supervise the group during the event.
- Placement certificates and marks will **not** be awarded for each class. Each group will receive an oral and written adjudication. The Adjudicator will maintain a private record which he/she will use to select award recipients and Highlights Concert performers.
- Enforcement of Festival rules as stated will be strictly observed.

Small (4-7) and Large (8+) groups of dancers (average age 10-20 years) are now able to compete VIRTUALLY at the Provincial Festival (Performing Arts BC). Groups will be chosen by the Adjudicator. Please indicate the size of your dance group when you register. For more details, please see the PABC website www.bcprovincials.com

Registration Fees for all classes are:
